## NOTICE TO STUDENTS

1. You are required to appear for the assessment (s) at the centre under which you are registered unless otherwise advised by the Council in writing.
2. You are required to observe all instructions given to you by the Supervisor, Invigilators or Officers of the Council responsible for the conduct of the assessments.
3. You are required to attend punctually at the time shown on your timetable. If you arrive more than half an hour late for an assessment, you will not be allowed to enter in assessment room.
4. You may leave the room temporarily at any time after the first half-hour but only with the permission of the invigilator. After the first half-hour, you may leave as you have finished your paper and handed in the script to the Supervisor/Invigilator.
5. You may bring into the assessment room only materials which are specifically permitted. If you are suspected of cheating or attempting to cheat, or assisting someone else to cheat, you may in consequence be disqualified from the assessment and excluded from all future assessment of the Council. Any notes or other unauthorised material found in the assessment room may be retained by the Council at its discretion.
6. Communication, verbal or otherwise, between students is not allowed during the assessment. If any student wishes to communicate with the invigilator she/he should raise hand to attract attention.
7. You must write your assessment number correctly on every page of your answer booklet/sheet. Using anybody else's assessment number is considered a case of dishonesty that may lead to cancellation of assessment results. Names, initials or any other mark that would identify a candidate should never be written on answer booklet/sheet.
8. If you are found guilty of dishonesty in connection with the assessment you may be disqualified from the entire assessment.
9. You should not destroy any paper or material provided in the assessment room. Also, do not take anything from the assessment room, unless instructed otherwise.
10. All writing must be in blue or black ink or ball pen and all drawing must be in pencil.
11. Smoking is not permitted in the assessment room.
12. Private candidates should bring identification letter and identify themselves to sit for the particular assessment at the prescribed centre, otherwise they will not be allowed to sit for assessment. However, they are strictly not allowed to write anything in their letters.
13. The assessment will continue as scheduled even if it falls on a public holiday.
